

**Little Birch & Aconbury's  
Joint Neighbourhood Development Plan**

At the April meeting of the Steering Group Dr David Nicholson, our Consultant presented his revised version of the 'Housing Delivery Report'. This was based on the discussion by the Steering Group of the original report presented at the March meeting.

This has now been approved with minor amendments and he has been asked to progress to writing up a **Draft Neighbourhood Development Plan**. This document will then be delivered to every household in Aconbury and Little Birch for consultation.
