South Wye
Safer Neighbourhood Team (SNT)

About your team

Safer Neighbourhood Teams work with local people and partners to identify, tackle and solve issues that matter to the community where you live.

Making neighbourhoods safer by cutting day to day crime and anti-social behaviour is at the heart of keeping people in West Mercia safe. Thanks to an investment in mobile tablet style computers, these will enable officers to spend more time on patrol on the street and in neighbourhoods.

Officers will continue to come to people when they need them and provide a high quality service however you contact us - in person (on the street, at community bases and at partners and communities together [PACT] meetings), on the phone or online.

View of the month Hereford South Rural

We are very lucky to live in such a beautiful area and we get to see some of the fantastic views Hereford has to offer. We thought we would share our favourite view from the month with you.

It's Lambing Season, and all the cute little lambs are in full force, field after field after field. **Remember** it is an offence for dogs to chase or worry livestock. Owners of dogs found causing distress to livestock may face a fine and a prosecution.
