Local News May 17

A belated but very warm welcome is given to Becce and Jodie Marsh who have come to live in her grandfather's (the late Terry Mock) cottage on 'Ticklywithy' pitch. We trust that they will soon settle in and make new friends.

As reported last month, Percy Verry and Ruth Cook have died. Percy was born in Hereford in 1923 and lived most of his life on the Barrack Hill, first at the top, in the parish of Aconbury, then at the bottom and from 1943 in the cottage where he spent the remainder of his life.

Sadly his mother died when he was two years old when his brother, Arthur was born. He lived with his father, Herbert, and they had a housekeeper, Mrs. Webb. Percy bought his cottage in 1943 and was then called into the Army in 1944 as a driver in the Bomb Disposal Unit.

He served in France, Belgium, Holland and Germany and finished up in Egypt. He said he didn't like the Egyptians as they pinched his lorry and he was fined £4 by the Army.

On demobilisation in 1945, he worked for Bob Reid at Lyston who had the contract for mowing the grass around the ordinance factory at Rotherwas. Bob and Connie Reid were good friends to Percy and brought round a cooked lunch on Fridays and one plated up for Saturday. After working for Bob, he worked more locally doing gardening and mowing lawns. He worked for many years for Miss Lawrence in planting vegetables and flowers.

Percy's best friend was Ivor Crum and went to the Castle Inn most nights to play Crib and have a swift half.

When Andrew Crum was born, Percy became godfather to Andrew, and he became 'one of the Crum family'. As, Samantha and Laura said in their tribute to Percy at his funeral Service at the Crematorium on Friday, 17th March.

Percy was a true countryman and loved listening to and watching the birds. He was very fond of Vera Lynn's singing and the entry and exit songs were by this well known wartime artist.

Andrew and Gill and the family looked after Percy so well for many years and despite difficulties towards the end their care never wavered. In fact, he lived with them in their home

until they could cope no longer and Percy spent the last 6 months or so at Charnwood in Much Dewchurch, where the staff gave him excellent care. So we say farewell to another character who will be sadly missed by so many friends and acquaintances. He had a long life but was really never happy away from the Barrack Hill. We extend to Andrew and Gill and Samantha and Laura our deepest sympathies.

We are also sad to say that Ruth Cook of King's Thorn passed away on March 7th aged 90 years. Her funeral service was held at Hereford Crematorium on 21st. March and the tribute for her life was given by her niece, Bee Cullis. Ruth lived her life very quietly and had looked after her late husband, Donald, with great fortitude under difficult circumstances. She gave up driving some years ago and Derek and Mary Hill took her shopping to Belmont Tesco every Thursday. She was a very generous supporter of the Poppy Day Appeal. She will be missed by a wide circle of friends and we send to the Cullis family our sincere condolences.

Chris Savage of King's Thorn passed away on Tuesday 11th. April, just one day after his 65th birthday. He received wonderful care from his wife, Ping, and Dr. Seftel from Much Birch Surgery and the District Nurses from Belmont. The Palliative Care Nurse, Sue Horton, gave outstanding care in the hours leading up to his death. A fuller tribute to Chris will be given in May.

Little Birch & Aconbury's Joint Neighbourhood Development Plan

At the April meeting of the Steering Group Dr David Nicholson, our Consultant presented his revised version of the 'Housing Delivery Report'. This was based on the discussion by the Steering Group of the original report presented at the March meeting.

This has now been approved with minor amendments and he has been asked to progress to writing up a **Draft Neighbourhood Development Plan**. This document will then be delivered to every household in Aconbury and Little Birch for consultation.

For more information and to be kept up to date, or have notification of future meetings please contact Sophie Glover, Clerk to LB&A NDP Steering Group - littlebirchpccclerk@hotmail.co.uk

Air Quality on the A49 from John Kinross

2 Phials were put up on the A49 and Tump Lane to test the air quality. They had to stay up for 14 days and then be returned to the FOE lab. for analysis. On 31st March, as follows:- Nitrogen dioxide 12.2 on A49 and 12 microgrammes per cubic metre of air, in Tump Lane.

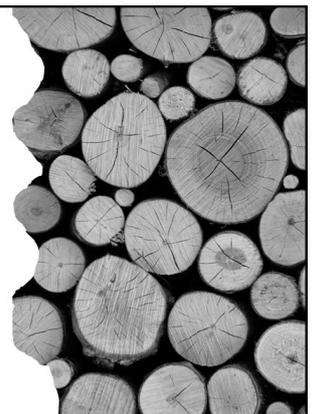

This compares to Central Bristol which shows 40 microgrammes per cubic metre of air.

The Singing Tree is an informal fun singing group that started its life in Much Dewchurch, moved with us to Garway and we are now meeting in Kingsthorpe since our move here in July last year. No auditions, no need to read music, just come along and enjoy yourself. We meet on Wednesdays at 7.30 pm at Wynds Poynt. St. George's Day

Poor old St. George! We forgot to put him in our Diary Dates for April. St. George's Day is 23rd April but that will have come and gone by the time you all read this. St George was a Greek Christian, born in Syria, and became **Patron Saint of England** in the Tudor Period, based on his popularity during the Crusades.

However his fame today is probably due to his slaying of a dragon. And in this area we have the magnificently carved **Aconbury Dragon – Idris**. He is carved from a single fallen oak and is nearly 8m long and weighs 1.5 tons.

His 'guardians' saw in the felled tree a dragon desperately trying to emerge. Local, highly respected, wood carver Steve Elsby had the vision too – and he knew how to handle a chain saw! Idris caused quite a traffic jam on the A49 in 2004, arriving in Aconbury on a tractor drawn trailer.

There's been a long tradition of dragon legends in the Marches, such as the Dragon of Mordiford, however the name Idris comes from 'Ivor the Engine'. Such is the power of the 'guardians' children. He has a terrifying roadside presence with that fierce face but he is really quite friendly – doesn't mind being stroked – but asks that he not be climbed or sat on. And likes photographers too – just don't ask him to smile for the camera!

Much Birch WI

Much Birch WI meets on the third Tuesday of each month in Much Birch Community Hall, just off the A49. The Hall is next door to the surgery and both are signed from the road. Visitors and potential new members are always welcome. Please contact Sallie on 01432 340069 for further details.

Brian Hatton talk

On March 30th Robin Thorndyke came to talk to over 30 people about Brian Hatton with particular reference to "the Harrow and the Plough". Robin treated us to a fascinating story of Brian Hatton, our Herefordshire artist, who started winning prizes at the age of 9 painting pictures which most of us would be proud to paint at our age! He displayed his love of horses and farm animals in a number of real period pieces of a way of life now gone. Some of the paintings Robin showed were of the Gower where Brian was sent to live to recuperate from various childhood afflictions. Many of the paintings Robin showed had a luminosity about them which he said the originals did not always show – the wonders of modern technology! Brian later earned his living portrait painting in London before joining the army in 1914. He was only 27 when he was killed in WW1. Robin's talk was most enjoyable and much appreciated by all present.

The March meeting discussed the importance of The Castle public house to the village, saying how happy they were that it had reopened and how much they hoped that those parishoners who could, would make an effort to drop in there for a drink or a meal to show support. The Parish Council have listed the pub as a 'Community Asset', as an indication to how strongly they feel that it benefits the area, and they will look to continue this listing when it comes up for renewal early next year.

The Parish Council also heard of the work that the steering group is doing on the Neighbourhood Development Plan (NDP). They are keen to not only support the excellent work of this steering group, but also to encourage any parishoners who are free to attend the meetings.

The steering group is at a key stage of the NDP, and the PC would remind every one that if/when it is passed, the NDP will be the guide that Herefordshire Council planning department will use in any decisions about granting planning permission up until 2031.

Meeting Agendas are posted on the Parish notice board at least three days in advance and are also on our web site.

13th April 2017

PARISH MEETING – at the Parish Council Meeting held on the 6th April at the Much Birch Community Hall.
The meeting heard about further progress on the Neighbourhood Plan from the Steering Group Chair.

DOG FOULING

The perennial problem of dog fouling in public places was again brought to the attention of the Parish Council. Allowing one's pet to foul on the pavement, or in open spaces, and then failing to clear it up is a seriously anti-social act. Dog mess can carry diseases that are harmful to humans and other animals. This is an appeal from the Parish Council, to all pet owners, to be considerate of the environment and of the health and welfare of others. **Please clean up after your pet(s).** Bagged pet waste may be placed in litter bins or taken home for safe disposal. Please do not leave bagged waste on the highway, pavement or in hedges.

Dates for Neighbourhood Plan Steering Group Meetings are: 1 June; 29 June; 31 August; 28 September; 26 October; 30 November.

The next meetings of the Parish Council will be the Annual Parish and Annual Statutory Meetings and these will be held, consecutively, on **Thursday 4th May 2017 from 7.30pm** - at The Much Birch Community Hall.

Please see notice boards and website for agendas. As always the public and press are more than welcome to attend and will have the opportunity to speak directly to their representatives.
