Dawn Chorus Walk on Easter Sunday

At 5.45 am over 25 people gathered at Merrivale Farm for an early start. We headed towards Athelstan's Wood, with a big crimson sun rising up to our east and the full moon still up to the west.

Passing through different locations we stopped and listened to a chorus of birdsong. These included song thrush, wren, coal tit, great tit, black cap, woodpecker, Canadian geese, blackbird, chiffchaff, robin, wood pigeon, pheasant and crow.

Adrian Hodges and Bob Mason pointed out the different bird-song and talked about nesting habits.

We were blessed with beautiful weather and were surrounded with bluebells and other spring flowers.

After a 2 hour circular walk we were welcomed back to Merrivale Farm by Emily and her children who had prepared breakfast in the barn.

£130 was donated to Isobel's school charity - Macmillan Cancer support.

Ride and Stride

Congratulations to one of our residents, Cathy Sadler, who has been mentioned in the latest edition of Herefordshire Historic Churches Trust Annual Report.

Many people will be aware that Cathy cycles around our area and that once a year she and her son John take part in Ride and Stride, a sponsored cycle to raise money for the conservation of Herefordshire churches. The report states: "As in previous years, Catharine Sadler was our most impressive fundraiser".

Well done Cathy and John!

A talented team of Hospice supporters is preparing for a spectacular flower festival to mark 35 years of St Michael's Hospice. A decade ago, the same team created the hugely successful 'A Cornucopia of Silver', followed three years later by 'Precious Time'.

Now, Carola Kean, Stephen Rabbitts, Jacqueline Flack and Joan Davies are reuniting once again for a floral gallery of Transformation and Peace.

More than 40 arrangers and groups from across Herefordshire and adjoining counties are supporting the event which takes place at Lyde Arundel from 13th - 15th September.

The festival will not only touch the heart of all its visitors, giving them the opportunity to remember loved ones, but it will also be an enjoyable event, which will include a Preview Evening and Floral Entertainment Evening. For more information, visit st-michaels-hospice.org.uk, contact Paddy Nugent on 01432 852 641, or email pnugent@smhospicehereford.org

Performing at the flower festival will be the St Michael's Hospice Community Choir. The group features Hospice volunteers and staff members, plus those from the community who enjoy singing. The Choir, which performs at various events throughout the year, would love to welcome more men, particularly bass or tenor. If you're interested in joining, or for more information, call Denise Bishop at St Michael's on 01432 852 656.

St Michael's Hospice has a Mobile Hospice Support Vehicle which is visiting all four corners of Herefordshire and beyond – and we'd like your community to get involved too.

The idea of the vehicle is to spread the word about all the various services offered by St Michael's.

If your parish has a forthcoming fete or event you think might suit the vehicle's presence, please contact Michelle Havard at St Michael's for more information on 01432 852 621 or email mhavard@smhospicehereford.org

Duchy Walk Wednesday May 8th.

Several wooded areas around Little Birch are part of the Duchy of Cornwall which was set up by Edward 11 in 1337 to provide income for the Duke of Cornwall, Prince of Wales. The woods are managed by the head forester Geraint Richards who is based near to Mevagissey and Ed Clark who works from the office at Dewesall.

Prince Charles, the current Duke of Cornwall takes particular interest to the Herefordshire Duchy estates especially woodlands as shown by photographs on the website. In the normal course of events he will be succeeded by Prince William who has already been shown around local woods

In previous years Geraint and his team led walking tours of Aconbury, Wallbrook, Nether and Athelstans woods. The objectives were to keep local people informed about the history of each area, how it is being managed, problems being encountered and explain future plans. This year the walk was around Rough Hill wood, the latest in the area to be acquired by the Duchy and not normally open to the public. It is situated between Athelstans wood and the C1261 Hereford to Hoarwithy road and is approached by a newly constructed entrance near to Caldicot crossroads.

Geriant explained that ownership of this wood enabled a new road, about a mile long, to be installed to provide access for heavy lorries and equipment to the larger adjacent Athelstans wood that was previously very difficult. The walk proceeded from the entrance in Aconbury parish along the new road and across the stream into Athelstans wood in Little Birch parish and then return to the starting

point. Total distance was about three miles which, with frequent stops for explanations, took two hours. Trees in the wood are almost entirely deciduous broad leaved types including a large number of maturing oaks and some excellent examples of Redwoods, originally from California, planted by a previous owner. As trees are harvested it is intended to replace them exclusively with broad leaved varieties that allow undergrowth and good soil health -unlike evergreen trees that restrict light penetration even in winter. Replanting needs careful consideration of pests and diseases. As an example, the planting of oak is very problematic because of damage caused by grey squirrels. All the existing healthy oak trees were well grown before the upsurge of the grey squirrel population that does not have natural predators. The Duchy is monitoring experiences in other areas where Pine Martens have been introduced to try to control squirrels. To counteract the spread of diseases different types of trees are interspersed. Recent plantings include Sweet Chestnut that will likely be cut back soon to encourage coppicing for fencing stakes.

After the walk most participants enjoyed refreshments in the village hall where Geriant and Ed continued to explain aspects of forestry, wild life, working for royalty and answer questions.

Thanks are due to Alison Clarke for organising this very interesting and well appreciated event and helpers who provided excellent refreshments.

The Drama Group

This month the Writing Group will tell you about the Drama Group.

Amateur dramatics have been popular in the Village Hall since it opened. It became a tradition to perform a pantomime around Christmas but lapsed when not enough people wanted to continue. After a period of a few years Hilary Gould was persuaded to start again and in 2007 she wrote and produced "Treasure Island", with the help of family, friends and local people. It was a great success and the next year "Snow White" enchanted us! There was no looking back and each year the Group have given us a new panto. Sadly Hilary is no longer with us but won't be forgotten. Other producers have stepped in, notably Jane Bolam, with other productions by the late Paul Bishop, Tim Betts and last year Frank Ryder. All have done an excellent job.

The Group have, in recent years, produced some extremely professional Summer shows – 'Allo 'Allo!, 'Black Adder', 'Cash on Delivery' and last year 'One Man Two Guvnors'. Jennifer Baldwin also produced variety show - bits of which are shown at various functions. Sarah Elliot directed 'One Man, Two Guvnors'.

This Summer the Group is having a break before they start rehearsing for the next panto – another version of 'Treasure Island'.

The Group considered becoming a Dramatic Society but found it would be too expensive to branch out alone. They are in partnership with the Village Hall and rely on ticket sales to cover expenses, and to date all productions have made significant profits to add to the Hall funds. The main backbone of the Group, around a dozen members, consists of a few regular cast, the set designer, scenery constructors, sound and lighting crew.

There is no membership fee and different people join the cast for most performances. The young children have a habit of growing up and either leave for other interests or graduate into bigger parts. They all love it and it gives them enormous confidence in themselves.

Should anyone wish to join either the cast or give a helping hand, look out for more details in the newsletter, website or Facebook around September. The Group will be delighted to welcome new talent.

KING THORN & LITTLE BIRCH GARDENING CLUB-NEWSLETTER

Well, summer has arrived again and the nights are getting lighter, it's amazing that the longest day is only a month away! Early potatoes are showing, runner beans coming on in the greenhouse, bedding plants are almost bursting out of their containers waiting to be planted into larger pots but 'hold fast' as they say, a late frost will undo all our hard work! Patience seems to be a requisite of all gardeners, professionals or amateurs alike- all the more reason to come along to one of our meetings and share your experiences. Now that's what I call a handy link to advertising our upcoming meetings!

On Wednesday 29th May we will have Clyde from Wild Wicker demonstrating his craftsmanship and bringing along some of the items he makes, and he will very kindly be donating one piece of his work as a raffle prize- hope I'm the lucky one!

Wednesday 25th June- the gardening club will be hosting a flower arranging workshop by Sandra Snell of Ross Flower House. Sandra is an extremely accomplished demonstrator and judge and Winner of numerous awards from Chelsea and Malvern Shows and combines her demonstrations with wit and good humour. She will be tackling arrangements listed in this year's Village Summer Show and then raffling the arrangements for club funds.

Our summer trip this year 24th July 4 PM is to Veddw House Gardens, Devauden, Monmouthshire. This is a garden featured in many publications and on television. Anne Wareham is a garden writer and Charles Hawes is a prize-winning photographer, so the garden has evolved for these two passionate gardeners to enjoy and they open their garden to help fund their projects. It's a fascinating garden, come along to be surprised and maybe inspired for your own future projects. Reservations and entrance deposit for this trip will be taken at the June meeting and we can then sort a car share system so if you don't have transport, we can hopefully sort it for you, we might even want to think about combining our trip with a stop for refreshments! This is an open trip, so if you are interested, please give me a call on 01981 541198.

August gives us a break and a chance to enjoy our own gardens, so our next big event is the VILLAGE SUMMER SHOW- SATURDAY 7th SEPTEMBER. We hope to see new faces and old so please support this event being organised for our community. Details and Show Schedules will be advertised under separate cover by our Show Secretary, Lesley Chapman.

On closing, can I say it was a pleasure to see some new visitors to our last meeting, it is great to have new faces and I hope we made you feel welcome.

Happy gardening! *Jenny Baldwin*

The annual Little Birch village fete will be held on Saturday July 13th at Castle Nibole. Please note this date in your diaries and encourage friends and family to come along to this quintessential English Country fete. The fete will be opened at 2pm by a TV celebrity and all the usual stalls, competitions, games and children's fun will be there for your enjoyment. The refreshments are always better than any coffee shop and not to be missed.

At this early stage in proceedings the organising committee are looking for help and contributions. We would like to have some new ideas for games and entertainment. If any of you have anything that could be used at a fete let us know. Outdoor games like giant jenga, bat the rat, bowling, or anything suitable would be welcomed. We will also need contributions of cakes, books, bric-a-brac, plants and produce, raffle prizes, bottles for the bottle stall.

If anyone would like to sell/buy some draw tickets in advance of the fete please let us know. All help appreciated.
